

Microsoft Customer Agreement

Professional Secrecy – Industry-specific terms (Switzerland)

Customer or Enrolled Affiliate is subject to industry-specific secrecy obligations. In consideration of such obligation, the parties agree to amend the Agreement and add the following section:

Industry-Specific Requirements

Microsoft is aware that customer data may be subject to business, banking, or professional secrecy rules e.g. Article 321 StGB (Swiss Penal Code). Therefore, Microsoft adheres to its confidentiality obligations according to the “Confidentiality” section of the Microsoft Customer Agreement (MCA).
